Steps to take now to ensure a smooth sailing:

> **Review your required travel documents.** While a passport is not required, we highly recommend all passengers travel with a valid passport. In the event you do not have a valid passport you **MUST** travel with a valid state ID **AND** an original birth certificate. There are no exceptions to this policy. Details can be found [here](#).

> **Did you purchase travel insurance?** We strongly encourage all guests to purchase travel insurance to protect against unforeseen circumstances, including illness, weather delays, or other issues that may cause you to cancel your trip. *Due to the World Health Organization (WHO) announcement declaring Coronavirus (COVID-19) a pandemic, please note that COVID-19 is a foreseen event and certain coverages will not apply.* Your deposit or other payments are non-refundable, so travel insurance is a great way to protect you and your traveling companions. You can request a travel insurance quote by emailing info@thehighseasrally.com.

> **Book your hotel.** Arrive the night before we sail and rev up for the cruise at the Official *High Seas Rally Pre-Party*.
